

GET YOUR HANDS DIRTY

Volunteer with CleanupUK

THE PROBLEM

Litter hurts wildlife.

Plastic kills 1 million seabirds, 100,000 sea mammals, turtles, and fish each year.

Corporate Volunteering Guide 2026

Litter damages communities.

66% feel unsafe in littered streets. 67% say litter harms their mental wellbeing.

Litter fuels climate change.

Litter releases greenhouse gases, microplastics, and toxic chemicals into our vital ecosystems.

A team day with purpose.

Create positive local impact by helping make neighbourhoods cleaner, safer and more welcoming.

Build stronger, more connected teams through a shared experience outside the workplace.

Support your CSR and ESG ambitions with a tangible, measurable volunteering activity.

Boost employee wellbeing and motivation with fresh air, movement and time away from screens.

Bring your values to life through meaningful environmental and community action.

Generate a great PR and storytelling opportunity by showing your employees and customers you care.

Before your session, we support you with:

Finding the right location

We'll help identify a suitable cleanup site, whether that's close to your workplace, in a local park or somewhere your organisation has a particular connection with.

Planning your event

We'll advise on timings, group sizes and requirements and prepare a pre-event briefing for your colleagues.

Permissions and safety

We can help you obtain permission from the relevant local authority or landowner, as well as provide support with risk assessments, insurance and safeguarding requirements.

On the day, we provide:

- Litter-picking equipment and safety clothing
- Safety briefing
- A member of the CleanupUK team to guide, support and engage your volunteers
- Refreshments, including drinks and cake!
- Collection and disposal of the litter your team gathers

All you need to bring is your team and your enthusiasm.

VOLUNTEER

“WE’VE HAD A REALLY GOOD DAY JUST CATCHING UP AS A TEAM BUT ALSO FEELING LIKE WE’RE GIVING BACK AND ALONG THE WAY, THERE’S THE ADVENTURES OF ALL THE DIFFERENT THINGS THAT YOU FIND!”

OUR CORPORATE SUPPORTERS

Join these
companies in
supporting
CleanupUK to
tackle litter
and create
cleaner
communities
across the UK.

The Investment

We cater for a wide range of team sizes in locations across the UK and tailor sessions to suit your organisation.

As a charity, we ask for a contribution of £60 per volunteer, with a minimum donation of:

- **£3,000 + VAT in London**
- **£3,500 + VAT outside London**
- **£4,000 + VAT in Scotland**

Your contribution covers the costs of delivering your volunteering experience and helps us take our work further, supporting more litter-picking groups and communities in areas where our work is needed most.

So your team day creates an impact that lasts well beyond the day itself!

ABOUT US

MORE ABOUT CLEANUPUK

CleanupUK is a small charity with a big heart.

Our work goes beyond individual litter-picks. We support people living in deprived areas to establish and sustain local litter-picking groups through our network of Cleanup Hubs. Because when people come together to care for the places where they live, something bigger happens.

Communities become stronger. Neighbourhoods become safer. People feel more connected.

By volunteering with CleanupUK, your organisation is not only improving a local area with your team, you're also helping us support more communities across the UK to create lasting change.
